

## Electoral Organizing Fellowship

### **About:**

The Alliance for Gun Responsibility is looking for motivated and dynamic people who are passionate about preventing gun violence in Washington to be an Electoral Organizing Fellow. Fellows are an integral part of our work to empower communities across the state and enact lifesaving gun laws. The electoral action plan relies heavily on grassroots mobilization, coordination, and recruitment. Fellows will gain real-life experience in both community and electoral organizing through working with volunteers, chapter teams, and community allies to elect gun safety champions and activate legislative strategies to prevent gun violence within Washington. Fellows will work closely with the organizing staff to strengthen community support for gun violence prevention while implementing a comprehensive plan to deliver tangible political victories. Ideal candidates are critical thinkers who thrive in a fast-paced environment. Candidates should be invested in gun violence prevention efforts and motivated to learn about legislative processes, elections, and effective organizing tactics.

If approved by your institution, this fellowship can count as course credit! Fellows will receive a monthly stipend of \$1,201.68 (paid out on a semi-monthly basis) and are expected to contribute 18 hours per week from August 2nd - December 23rd. Schedules are flexible but may vary week to week based upon organizing events or opportunities. Fellows should expect to work at least two evening shifts and one-weekend shift.
